

Incoming 8th Elective Information and How to Access Elective Forms and Applications

Please follow these instructions very carefully so that we can properly place you.

You will be submitting your elective form online. Students who do not fill out an online elective form will be placed into an elective by the Guidance Tech or Counselor. The Google Online Elective Form will open on February 15th at 4:00pm and will close on February 24th at 11:59pm. Once you submit your online form you will not be able to make any changes to the form so choose wisely. If for any reason you wish to make a change you will need to see Mrs. Saladow in the guidance office. If AVMS offers support classes students will be placed automatically into the class if they meet the criteria. Parents will be notified regarding support classes prior to school starting.
